## Practice Chart 5

As a motivational and assessment tool, band students are keeping Practice Charts on which they are to record their amount of practice time each day. *Practicing is one of the most important grades given on a student's Band Report Card.*

- Fill in student's name on receipt
- Keep current practice chart in student's binder or instrument case at all times
- Fill in number of minutes practiced
- Circle whether practice was R=Rhythm, S=Scales or B=Books/Music
- Sign Practice Chart at end of each two-week cycle, both student and parent/guardian
- **Turn in Practice Chart at FULL BAND REHEARSAL on Due Date listed below**
- Remember, it is better to practice 10-15 minutes a day than to put all of your practice time into just one or two days a week!
