Practice Chart 7

- Practice Charts are part of a student’s musicianship and reflection grades to show that a student is trying their best to practice at home (even if it is not five days a week), is honest on how much they are practicing, and are keeping records of their home practicing.
- The goal is NOT to have 14 √’s, but to try your best and be honest with yourself and your reflections.
- Five days of home practice may not be possible every week and that is OK. Do your best to practice CORRECTLY and always work towards improving your routine.

Directions:

- Fill in “student’s name” on each chart and keep current practice chart in student’s binder at all times
- Place a √ in the box if you practiced CORRECTLY for at least 15 minutes that day
- Circle whether practice was C=Concert Music, S=Scales/Other or B=Books
- Student signs the Chart at end of each two-week cycle (parent signature is optional, but encouraged)
- Answer Self-Reflection Questions before handing in your Practice Chart
- **Turn in Practice Chart by no later than the Thursday after the due date listed below**
