

Maintenance (Percussion)

Daily

- Store All Sticks, Mallets, and Accessory Instruments Carefully and in the Correct Place
- Make Sure All Percussion Instruments Are Back Where They Belong

Weekly

- Check All Equipment for Loose Screws and Missing Parts and Let the Director Know.
- Check All Drum Heads and Make Sure There Are No Holes or Excessive Dents
- Check Snares and Make Sure They Are Still Attached As They Should Be
- Wipe Down All Cymbals and Keyboard Instruments With a Soft Cloth
